CELL COOKIES
PRIMORDIAL OOZE

“Camp Keely” is my week-long summer adventure for kids. It runs from 10am - 5pm, Monday through Friday, out of my home in Silver Spring, Maryland. Each day, I pick one of the four elements and lead the kids through crafts, adventures, games, stories, and cooking and science projects themed off of that element.

IMPORTANT DETAILS:

- **Timing:** Kids can be dropped off and picked up any time between 10am and 5pm. However, please let me know your intentions regarding timing so we can ensure we won't be mid-hike (or mid-mess) when you come to pick or drop off.
- **Food:** Kids should pack a bag lunch every day except Fire Day (on which we'll make campfire pizza). I will also provide healthy snacks, plus a treat or cooking project for each day at camp. Please let me know about any allergies and intolerances at the beginning of camp so that I can adjust my shopping accordingly. Also, please pack a WATER BOTTLE to take on excursions - that is by far the best way to prevent the spread of germs.
- **Clothes:** Kids need to be prepared to WALK and to MAKE A MESS. That means that kids need to be equipped each day with both decent walking shoes AND a grubby pair of clothes to change into when it's mess-making time. In some cases, bathing suits and goggles or other gear will also be required: I will let you know each day what special supplies to bring the next day.
- **Safety:** I am Red Cross Certified for pediatric First Aid/CPR/AED. Each day's activities will be discussed with parents ahead of time to determine appropriate safe boundaries for each child.

My current discount price is \$180 for the entire camp. You can also contact me to negotiate special prices for dropping in for specific days. Contact me at keely@unstandardized.com, or 301.404.4875, or visit this event on my website: <http://www.suburbangrotto.com/1/post/2013/07/july-15-july-19-camp-keely.html> to enroll online.
